

We thought you could start the year off right with a little . . .

FABULOUS DISASTER

". . .so we cranked it up a little"

It's the start of a new year and you should start it off with a real big bang which means doing it with **Fabulous Disaster**. Each member of the band has their New Year's Resolution and here they are: Chris resolves to (try to) tell the truth once in a while, Eric resolves to (try to) unswoggle his own tamponaroonies and David resolves to (try to) not make it with made women (since they're already made anyway). Of course, by the time Jan. 2nd rolls around these resolutions will be forgotten, but it's the thought that counts. We would like to thank all those people who made it down to the Dec. 9th gig at *The Underworld*, we played some new songs and some very popular old stuff (thank you, Lynn). We appreciate your undying support for without you we are nothing but a bunch of horny guys in a rock band.

as usual, all shows start on time and last approximately 45 minutes and please mention **FABULOUS DISASTER** when you come through the door, don't worry, we aren't getting any money, but the club owners like to know whether people are just stumbling in or coming to see the band.

TUESDAY, JANUARY 5th 9:00 p.m.

The Underworld

(formerly, The Pool Bar)
643 Broadway at Bleeker St.
\$5 cover 473-9263

HAPPY HOUR from 7 to 8 pm with two for one drinks

Take the **6 train** to **Astor Place** or the **N** or **R** to **8th st.** Located at the corner of Bleeker and Broadway, in the basement. We love this dump; in the basement, low ceilings, dark lighting, excellent sound system and the cutest blonde bartender this side of the Mississippi. She loves us, we love her, the booking agent loves us, we love him, and if you cum to this show, you'll love us too and we will do our best to love you.

WEDNESDAY, JANUARY 13th 10:00 p.m.

Street Level

5 Ave. A (Ave. A & Houston, NW corner)

\$5 cover 388-0560

HAPPY HOUR 5-8p.m. TWO FOR ONE DRINKS

Take the **F train** to **2nd Ave.** or the **6 train** to **Bleeker Street**. This place used to be a restaurant and it has glass all around so you can watch crime on the streets as it happens. It also allows the band to be heckled from outside as well as inside, so bring your ripe tomatoes, rotten cabbage and any other cruciferous vegetables you wish to throw at the band. (we request cruciferous vegetables from the *Brassica* family because we hear that they help prevent breast cancer and the last thing we want is breast cancer, also, since they are also considered from the mustard family and can cause gas upon ingestion, it allows us to produce our own mustard gas. Pretty neat, huh?)
