# FABULOUS DISASTER

Well it's been quite a bit of a goddamn time then, hasn't it? Have you been taking your vitamins? We're getting flustered and we're ready to make some NOIZZ! Our first show is in the fashionable Upper East Side where Robert Chambers made quite a name for himself with his sarcastic attitude towards rhythm. Once again, we are proud that Lauterbach's has decided to host the Annual Spring Shaving of David's back.

**Avalon Tuesday, March 15th 10:00p.m.**

1647 2nd Avenue (85th & 86th) 212-628-7400 4 original bands and you know what that means. Oh shit!! We'll be trying out some stupid new material and peeling a few well grounded pudendums. \$5 cover with pass, \$7 without; but if you mention the band, you'll get in for five.

**Lauterbach's Saturday, March 26th 11:30 p.m..**

The CBGB's of Brooklyn in Park Slope. Located at 335 Prospect Ave. (between 6th and 7th Aves.). Take the F Train to 15th Street Prospect Park. GODDAMN we miss this dump. None of our friends have ever had a bad time at this place, and that includes the assholes. Bring your shaving cream!
