

this may be the last time you see this name in print . . . .but you haven't seen the last of

# FABULOUS DISASTER

Well, the last two shows were complete successes and if you weren't there, you will just have to take our word. First, at Avalon, Chris's brother (huge Uge) actually made it there without being arrested, although he was last seen heading for 42nd street and hasn't been seen since. Chris seems to be the only one who is not that worried, actually. He said, "It runs in the family" Joe trashed his drums by the SECOND song of the set, he usually has the good sense to wait for the third song but since he had shredded (a first) a drum stick during that second song, he finished the job by completely destroying the bass drum pedal. Avalon has kindly informed Joe that he must bring his own set next time. And someone at the show claimed to have seen a blonde bullet artist at the show, but no one was hurt, guess he forgot his ammo. The Passover celebration hosted by **Fabulous Disaster** at Lauterbach's was a great success. David explained the meaning of Passover and delivered a rather sweet Kaddish. Then someone blew the shofar. Boy, was he happy!! At both gigs Chris was seen in his memorial leather jacket (ask him about it). The Audobon Society has stated that there is a potential Eddie Pecker sighting in the New York area on the 15th, call the number at the bottom of the page for more info.

## SATURDAY April 16th 8:45 p.m. Street Level

5 Ave. A (Ave. A & Houston, NW corner)

\$5 cover 212-388-0560 5-8 Happy Hour

Take the **F train** to 2nd Ave. or the **6 train** to Bleeker Street. Been a while since we have done a Thom Jack show, we are looking forward to it. Plus, we usually get heckled by underage drinkers at this club and a set and a half usually guarantees a good car wreck out front, which can be expected since 80% of city hacks learn to drive on a camel. One hump or two? We encourage the bringing of rotten fruit and vegetables, we can use the vitamins. The band will be providing subtle, soothing musical suppositories for the previous day's annual IRS reamings, steamings and dry cleanings.

## SATURDAY, April 30th 10:30 p.m. Lauterbach's

718-788-9140 \$3 cover

The **CBGB's** of Brooklyn in **Park Slope**. Located at **335 Prospect Ave.** (between 6th and 7th Aves.). Take **F Train** to **15th Street Prospect Park**. Our favorite Brooklyn dump. We get to use our own amps (and Chris gets to destroy yet another rental van), we just love playing here and the food is simply exquisite.
